

Staffordshire Baptisms, Marriages and Burials

Indexes taken from current Midland Ancestors database as at 28/09/2020

All the names in this index have been extracted by our volunteers from parish registers held by Midland Ancestors. Copies of the registers are available for purchase in our shop.

Simply use the search in the shop entering the code displayed in brackets. Do not include the brackets

A list of places in this index are shown on the following pages.

The BMSGH gratefully acknowledge all those volunteers who were involved in creating the indexes and the original transcripts now held by the BMSGH.

The material contained whether in downloaded file(s) or on a CD/DVD is copyright of the Birmingham and Midland Society for Genealogy and Heraldry, also known as the BMSGH.

Data is for personal research use only. Data is provided for use on a single computer, with a single monitor.

Data may not be copied, lent, hired or resold to another party or the contents made available on the Internet or included in any other publication.
