

Marriages

Marriages

All the names in this index have been transcribed by our volunteers from parish registers and other written documents. If you click on the parish name for a marriage you are interested in, the link will display the relevant datasets available in the shop.

If a name appears for e.g.

ABBERLEY

Walter 1631 St Bartholomew, Norton in the Moors, Staffordshire Part 1

Walter 1631 St Bartholomew, Norton in the Moors, Staffordshire

The register for St Bartholomew is available in parts or combined.

1,461,747 names of those married in Staffordshire, Warwickshire and Worcestershire

Locations and years covered are shown on the following pages.

The BMSGH gratefully acknowledge all those volunteers who were involved in creating the indexes and the original transcripts now held by the BMSGH.

The material contained whether in downloaded file(s) or on a CD/DVD is copyright of the Birmingham and Midland Society for Genealogy and Heraldry, also known as the BMSGH.

Data is for personal research use only. Data is provided for use on a single computer, with a single monitor.

Data may not be copied, lent, hired or resold to another party or the contents made available on the Internet or included in any other publication.

Any queries etc can be sent by email to
