## The Shop Team

**Frank Smith** - I am pleased to announce that Frank has taken over the role of Sales Officer, any shippable orders you place in the shop will be processed by Frank and our aim is to post goods within 1-2 days of order, depending on volume of orders received.

**Steve Freeman** – That's me, I am the Sales Manager and I manage the day to day running of the online shop (boring stuff like taking backups, ensuring we have enough disk space, etc), adding items to the shop, adding special discounts, purchasing goods and maintaining records for those nice HMRC people. I also pass non shippable orders to appropriate contacts to process, ie New Memberships, Membership renewals, Search requests, Downloads and goods which are shipped direct from our partner suppliers. I am also project managing the digitisation of all our existing microfiche products.

### End of Year Stock Clearance Sale

We are pleased to announce our end of year stock clearance sale. Over 650 items have been reduced in price as follows:-

- Monumental Inscription on microfiche – at least 50% off. We have a minimum postage charge but as microfiche do not weigh very much, you can get loads of microfiche for the minimum postage charge. Discounted prices start at just £0.50. We will not be making any more microfiche, so once stocks are sold, they will be taken off sale.
- Census microfiche/books/CD's - Many at up to 75% off
- Many other books up to 75% off

To see a list of items in the stock clearance sale, select “Stock Clearance” under Categories on the left side of the shop home page. You can sort these items, see the next section for details.

### How to use Advanced Search

The shop has two search facilities to enable you to find items. The search on the blue bar on the Home page will search item titles in the categories selected. But this does not always produce everything you may be looking for. If you click on the “Advanced Search” option, you can enter your search keyword(s), select category if required, and then tick the “Search in Product Descriptions” box, the shop will then search not only the title, but all items descriptions giving you more results.

Once you have clicked on search and have your results, you can now sort them by selecting an appropriate option in the “Sort by” field, eg you can sort by name(A-Z), by price, and various other options.

## Feedback

We would welcome your feedback on the new style newsletter, is it too long, too short, is there anything else you would like to know about the shop. Is there a microfiche product you would like to be digitised, let us know and we will add to the list, it takes about three months to scan the book, crop the images and turn into a pdf file with bookmarks.
