

## News

The shop volunteers, Caroline, Frank and myself hope you had a wonderful Christmas and we wish you a Very Happy and Prosperous New Year.

We have just launched our January Sale, huge discounts on selected items, especially from the Family History Partnership with around 25% off selected items, see below for more information, or see the shop home page [FEATURED](#) items.

We are still selling off old books and microfiche at up to 75% off. See [SPECIAL OFFERS](#) on the shop home page for a full list of all offers.

We now have two second hand bookstalls in the shop-

- the [BMSGH USED ITEMS](#) are books and maps which have been donated to the society and are a very welcome source of income, we have a new volunteer starting in January, so lots more items will be added soon.
- We also run a second hand bookshop for Warwickshire County Record Office, called [PRIORY BOOKS](#), again run by volunteers who will be adding more books in 2016, this is a valuable source of income for them, along with downloads we sell of [QUARTER SESSION](#) books and some 190+ high quality photographed images of [TITHE MAPS](#), these have been very popular in December.

Please see the sections below for more details of Special Offers and new items added to the shop since the last Newsletter.

## Volunteers Wanted

We currently have volunteers all over the World who help with transcribing work for our many projects. If you have some spare time and would like to volunteer to help with transcribing, please go to this [link](#) in the shop and register or get in touch via the contacts details at the end of this newsletter. All you need is a PC with an Internet connection, we will provide all the information required to get started.

## How to use Search

The search facility has changed since we upgraded the shop software in December 2013. To find an item, enter the search criteria in the search box at the top right of the screen and press enter/click on the magnifying glass symbol. You will then get a list of products that meet the search criteria, however, there could be more items available, if you click the “Search in product descriptions” button and click on search, more products could be displayed. If you get too many items returned, you can restrict the search by selecting a Category, eg Staffordshire or maps, etc.

You can now display results of your search either as a list or as a grid. You can select how many items to display per page and also select how to sort the items on the page, eg by Name(A-Z), Price(low>high), and more.

## Feedback

We would welcome your feedback on our shop newsletter, is it too long, too short, is there anything else you would like to know about the shop. Are there products you would like adding to the shop?
